DESIGN REQUIREMENTS

When used with the Donegal logo, the tagline must only appear under the logo following the Clear Space rule.

It should appear as one line with strict alignment to the left and right of the Donegal logo.

When used with the logo, only use Avenir Heavy font. When used as a tagline, follow Typography rules (page 13).

Signage

All rules, including Color, Clear Space, and Unacceptable Usage, should be followed, including for large-scale items (i.e., billboards, signs, tradeshow booths, etc.).

MINIMUM SIZE FOR LARGE SCALE

The smallest the logo should appear on large items is 15% the height of the deliverable. It should always follow the Clear Space rule. If using a partnership logo, please size partner logo according to Partnership Logo standards on next page.
